Santa Barbara Chapter 60th Year Model A Ford Club of America

4th of July Parade

The Club Tour for July was the 4th of July Parade. We had a nice turn out with 9 Model A's in the Parade. The weather was sunny but not too hot we were number 38 entry in the parade a little farther back than last year but still a fun time was had by all. The club had a surprise visitor before the parade. I was contacted by two sisters who are from Canada and asked if they could bring their father by to see and sit in a Model A one last time he is 94

years old and lives in Santa Barbara and they were coming to visit he had asked for them to inquire if that would be possible. I said they where welcome to come by and sit in my Model A before the Parade they stopped by and we had a nice visit. When they left they all had a big smile on their faces. I was so proud to be in this club. Also we had some members attend the 4th of July festivities at the Stow House in Goleta and they said they had a fun time too.
