Santa Barbara Chapter 60th Year Model A Ford Club of America

Safety Clinic

The tour for February was our clubs annual Safety Clinic held every year to get our cars ready for the upcoming years tours. We had a good turnout with eight model A's at the clinic. The members checked the brakes, fluids, tried to identify sounds and rattles and gave a general overall look at the cars. A very special thanks to all the mechanics who helped do the work cars in good order. After all the early February rain we had in early February we finally had nice weather on Saturday it was sunny with a little wind but generally very nice. We started the Clinic at 9:00am we checked all the cars and had lunch around 12:30. We all said our goodbyes and headed home. A special Thank You to Randy Douglas for the use of his shop and his hospitality to all of our Club Members. See photos page 2 and 3

United States -- Star Spangled Banner

- U.S. National Anthem becomes The Star Spangled Banner on **March 3rd 1931**

More Information for the U.S. National Anthem

The "Star Spangled Banner" is officially adopted as the national anthem of the United States during March . The song's lyrics were from a poem written by Francis Scott Key in 1814 during the War of 1812 while the music was taken from song "To Anacreon in Heaven" which was believed to have been written some time in the late 1700s by British composer John Stafford Smith. The notoriously difficult to sing anthem had previously been used by the United States Navy in the late 1800's but it did not become the official national anthem until the United States Congress passed a resolution and President Hoover signed it into law . Prior the country did not actually have an official national anthem.

Chocolate Eclair Dessert

Prep 15 m
Ready In 2 h 15 m

Recipe By: KBehrens2

"This is a no-bake pudding dessert that's so quick and easy to make--everyone loves it. I always keep the ingredients on hand in case I need a quick dessert. It's best if it sits overnight before serving."

Ingredients

2 individual packages graham crackers	1 (8 ounce) container frozen whipped topping, thawed
2 (3 ounce) packages instant vanilla pudding mix	1 (16 ounce) package prepared chocolate frosting
3 cups milk	

Directions

- 1 Line the bottom of a 9x13-inch pan with graham crackers.
- 2 In a large bowl, combine pudding mix and milk; stir well. Mix whipped topping into pudding mixture. Spread half of mixture over graham cracker layer. Top with another layer of graham crackers and the remaining pudding.
- 3 Top all with a final layer of graham crackers and frost with chocolate frosting. Refrigerate at least two hours before serving to allow the graham crackers to soften.
