We had another wonderful club tour in April put together by Tour Director Bob Davis the tour was called "before it gets too hot Tour". We had 4 model A's leave Santa Barbara at 9:00am unfortunately we had one breakdown giving us 3 Model A's picked up another Model A

in Goleta bringing our group back to 4 and then we met 2 more model A's in Buellton which gave us a total of 6. We also had a beautiful 1957 Ford retractable red and white in color on the tour

with us. At around 10:30am we left Buellton via Hwy 246 and made a left turn on Ballard Canyon Rd taking the back roads through Solvang and headed towards the town of Ballard drove through Ballard made a left turn on Refugio Rd and drove up towards the town of Los Olivos crossed Hwy 154 and made a left turn on Calzada Rd continued our tour through Oak Trails Estates which was a beautiful drive we saw some really nice Ranches met a few cows on the road and came out on Roblar Ave made a left turn onto Roblar which turned into Mora Rd when the road dead ended at Baseline Ave we made another left turn and followed it all the way back around to Santa Ynez continued thru Santa Ynez on Hwy 246 to Solvang and had lunch at Hans Christian Andersen Park. Lunch was nice the sun was finally starting to break through the clouds, and it was starting to get a little bit warmer we had a nice visit finished our lunch and had a few laughs then we headed for home around 1:00 o'clock. Thanks again Bob for another wonderful tour and all your hard work our club really appreciates it.
