Easy Corned Beef and Cabbage Recipe

<http://www.tasteofhome.com/recipes/easy-corned-beef-and-cabbage/print>

Ingredients

- 1 medium onion, cut into wedges
 - 4 large red potatoes, quartered
 - 1 pound baby carrots
 - 3 cups water
 - 3 garlic cloves, minced
 - 1 bay leaf
 - 2 tablespoons sugar
 - 2 tablespoons cider vinegar
 - 1/2 teaspoon pepper
 - 1 corned beef brisket with spice packet (2-1/2 to 3 pounds), cut in half
 - 1 small head cabbage, cut into wedges
1. Place the onion, potatoes and carrots in a 5-qt. slow cooker. Combine the water, garlic, bay leaf, sugar, vinegar, pepper and contents of spice packet; pour over vegetables. Top with brisket and cabbage.
 2. Cover and cook on low for 8-9 hours or until meat and vegetables are tender. Discard bay leaf before serving. Yield: 6-8 servings.

More blonde jokes, thank you Leslee!

BLONDE ON TIME

A girl was visiting her blonde friend, who had acquired two new dogs, and asked her what their names were. The blonde responded by saying that one was named Rolex and one was named Timex. Her friend said, 'Whoever heard of someone naming dogs like that?' 'Hellooooo. . . ,' answered the blonde. 'They're watch dogs'

Safety Clinic Saturday, February 20th

Another beautiful Santa Barbara day for our annual safety clinic! We had 17 A's turn out, but not all of them needed to have their brakes checked or any other work done! Those who came in their A's were Bill B., Chet, Randy, Fred & Cyndy, Marc & Sema, Tom G., John G., Lorne & Christine, Floyd & guest Pete from the SY club, Aaron & Robin, Ralph, Eric & Margaret, Alan & Rene', John & Mary, Bill W. and Truett & Jill. Bob & Susan came in their modern. Thank you Randy for opening up your yard again & for providing coffee & snacks. Thank you to Marc & Sema for bringing more coffee & treats. Thank you to all the guys for helping with the work & to Truett for checking the transmission & differential lube levels on each A for the 2nd year in a row. This year he found another A with no indication of lube in the differential or transmission! Randy supplied the lube that we pumped into these thirsty dudes. It is important that each driver check their steering box & top off with 600W. This can be done while you are standing on the driver side of the car. If you are curious & are able & want to crawl under & check the differential & transmission for yourself as we did, you could check out MAFCA for some information on this important aspect of owning a Model A.

https://www.mafca.com/tqa_m_lubrication.html If this chore is too strenuous, you can probably have your spouse or girlfriend do this! ☺ (Thank you Truett for contributing to this write up!)
