Send a Brick for Christmas!

Since 2011, when we first started raising money for the construction of the Model A Museum, about 1550 bricks have been ordered in memory or in honor of your favorite Model A'ers, Model A clubs and regions. We have room under the gas canopy at the Museum for about 110 more bricks. It would be a wonderful thing if we could finish off that area by Model A Day 2019! So how about ordering a brick for a loved one for Christmas. A personalized brick would make a great gift for that parent or grandparent who really doesn't 'need' anything and of course, it would benefit the Model A Museum as well. If your Model A region or club doesn't yet have a brick at the Museum, now would be a good time to do that as well. Use the brick order form in the upcoming issue of the 'A' Preserver or copy and paste this link into your browser:

<http://www.maffi.org/WContent/Download/BuyABrickDonation.pdf>

It will be in place at the Museum by September 21, 2019.

Merry Christmas and thank you,
Loukie Smith, Brick Coordinator

TINY TIPS

S

HARD STEERING

If you feel that your Model A is steering harder than other Model A's, harder than it should, there are several things you can do to ease the problem.

1. Check your front end castor; too much castor (caused by sagging front spring) can cause difficult steering.
2. Improper steering adjustment; over-adjusting to remove play.
3. Worn front tires.
4. Low air pressure - 35 psi minimum pressure is recommended.
5. Lack of steering lubrication.
6. Improper steering box lubricant.
7. Worn steering arm balls.

If all the above have no effect, there is a product on the market to ease your steering. It is in kit form. It includes the replacement of the drag link and tie-rod ends with teflon, and can be obtained through your Model A outlet stores.

THOUGHT FOR THE DAY

(from San Diego MAFC Nov. Quail Call)

Are you an active member,
The kind that would be missed?
Or are you just content,
That your name is on the list?
Do you attend the meetings,
And mingle with the flock,
Or do you stay at home,
And criticize and knock?
Do you take an active part,
To help the work along?
Or are you satisfied to,
Only just belong?
Do you do your part,
With your hand upon the stick?
Or do you leave the work to others,
Then talk about the clique?
Think this over fellow members,
You know right from wrong!
Are you an **ACTIVE MEMBER**,
Or do you just belong?
