Caramel Apple Topping (from Christine)

This is one of the simplest & most delicious ways to prepare fresh apples. Keep a jar on hand to serve over cake, ice cream, pound cake or yogurt, with your morning granola or straight out of the jar with a spoon at two in the morning when you find yourself alone & hungry!

4 sliced apples; no need to peel 1tsp. cinnamon
4 TBLP Butter (no substitute) 1 Cup Walnuts
A pinch of nutmeg 1 cup brown sugar
1 cup cream or buttermilk

Melt the butter in a heavy pan. Add the sugar & swirl until melted. Add the spices & apples & saute' until the apples are tender. Add the walnuts & stir. Turn off the heat, & slowly stir in the cream. Serve immediately over ice cream or cake & keep the leftovers in a jar in the fridge.

The Wife's Lawn Mower for sale (thanks Leslee)

Here's the story. It's still hard to believe the way it turned out.

My wife said she wanted a riding lawn mower.

She works all day and was always tired when she came home from work, and I thought that a riding lawn mower would help her get the yard work done quicker so she would have more time for the chores inside.

SO, being the handy sort of guy that I am, I made her a riding lawn mower.

I thought she would squeal with delight or something and give me a big hug.

I even put a light on it so she could work at night (see photo below), after she finishes putting away the dinner dishes.

To this day I still can't understand why some women are so hard to please!!

P.S. I can see out of my left eye pretty good now and should be able to leave the hospital sometime next week!

Los Olivos Day in the Country Parade

We had a great turnout of 10 A's! Those who came (or were waiting for us at the lineup) were Chet & Kay, Randy & Sue, John G. with friend Teri, Lorne & Christine, Floyd & Annie, Aaron & Robin, Bill M., Ron & Elaine, Eric & Margaret, Alan & Rene' and Truett & Jill. It was a beautiful day & we only got a small misting of rain on our windshields a couple of times!

Don't miss Spiderwoman at the end! 😊
