Apple Chutney (from Christine)

This is a nice accompaniment to spiced pork, roasted chicken or grilled salmon.

3 tart cooking apples, cored & diced (no need to peel)

½ cup chopped white onion

1 TBLP minced ginger root

½ cup orange juice

1/3 cup cider vinegar

½ cup brown sugar

1 TSP grainy mustard

¼ TSP hot pepper flakes

½ TSP salt

½ cup raisins or currants

Combine all ingredients except the raisins in a heavy saucepan. Bring to a boil, stirring constantly, then reduce to simmer & stir occasionally until most of the liquid has evaporated; about 45 minutes.

Remove from heat & add the raisins. Store in the refrigerator or can using traditional methods.

Say you are an older senior citizen and can no longer take care of yourself and the government says there is no Nursing Home care available for you. So, what do you do? You opt for Medicare Plan G. The plan gives anyone 75 or older a gun (Plan G) and one bullet. You are allowed to shoot one worthless politician. This means you will be sent to prison for the rest of your life where you will receive three meals a day, a roof over your head, central heating and air conditioning, cable TV, a library, and all the Health Care you need. Need new teeth? No problem. Need glasses? That's great. Need a hearing aid, new hip, knees, kidney, lungs, sex change, or heart? They are all covered!

As an added bonus, your kids can come and visit you at least as often as they do now! And, who will be paying for all of this? The same government that just told you they can't afford for you to go into a nursing home. And you will get rid of a useless politician while you are at it. And now, because you are a prisoner, you don't have to pay any more income taxes!

Is this a great country or what? Now that I've solved your senior financial plan, enjoy the rest of your week!
